'Cannonball' is a fresh new sextet that features the jazz/groove/soul music of Julian 'Cannonball' Adderley. The music of this genre has a heavy blues and gospel influence with a deep, infectious groove.

The members of the group are well established on the Australian jazz and commercial music scenes. Between them, they have performed with the likes of Ray Charles, Jerry Lewis, Hugh Jackman, Michael Buble, James Morrison, The Australian Art Orchestra, The Melbourne Symphony Orchestra, Olivia Newton John, Mike Nock, and Bobby Shew.

Ensemble members have toured with various projects throughout Australia, Asia and Europe, and have been the recipients of many awards and accolades including ARIA nominations, and selection as finalists in the National Jazz Awards.

The group has enthralled audiences in Melbourne with performances at Uptown Jazz Café and Bennetts Lane Jazz Club.
